

SELECTIVE RE-ENLISTMENT BONUSES

The Selective Re-enlistment Bonus program is targeted at specialists, sergeants and staff sergeants and was updated June 4. All bonuses are paid in a lump sum.
 Prior-service soldiers who separated from the Army or a sister service and are within 90 days of the discharge date may re-enlist and get a bonus if qualified.
 Bonuses are paid by specialty and grade within specified zones. Soldiers are entitled to only one bonus per zone. To compute a bonus, multiply monthly base pay times years of enlistment times the multiplier for the soldier's military occupational specialty and rank.
 Zone A is for soldiers with 17 months to six years of service, Zone B for midcareer soldiers with six to 10 years and Zone C for career soldiers with 10 to 14 years of service. Numbers indicate the bonus multiplier.
